### Transportation Assistance

Logisticare is the Transportation Broker for most insurance providers  
Their contact number is 866-726-1457

Call them for all types of insurances and they can tell you if the patient qualifies for transportation services or who to contact instead. They also will set up the transportation and they do not have as many restrictions as other transportation services because they have more resources.

Pensacola Bay Transportation provides transportation to people with disabilities and senior citizens

There locations and contact info is below:

3100 McCormick St  
Pensacola, FL 32514
