

WESTBRIDGE

Join us in Pensacola, FL!

You are cordially invited to a book panel hosted by Lorelee West and Mary Woods to celebrate the launch of the new book:

*I Didn't Cause It, I Can't Change It
How Mothers of Adult Children with
Co-Occurring Disorders Have Coped*

By Mary Ryan Woods, RNC, LADC, MSHS and Adrienne Murray

This book chronicles the journey taken by fourteen mothers of adult children who have experienced Co-Occurring Disorders. They are dedicated to informing treatment providers how the use of language and inclusion in the treatment process promotes recovery for the whole family. While their experiences were varied, there were many common threads; isolation, stigma, shame, and secrecy. Also, they all were able to reclaim their lives and enter into recovery. These mothers found strength and hope and want to share their experience with others who are on similar journeys. You are invited to join us in fellowship to develop a new perspective, obtain a new resource and celebrate recovery.
